Hi Mike,

It was nice talking to you today!

Attached please find some additional resources on potential sources of perfluorinated chemicals:

- PFOA Stewardship Program: <https://www.epa.gov/assessing-and-managing-chemicals-under-tsca/and-polyfluoroalkyl-substances-pfass-under-tsca>
- OECD Synthesis Document on uses and regulations
- FluoroCouncil presentation on major uses of PFCs
- Comprehensive Emission Inventory (Wang et al)

Hope you find these useful.

Please keep us updated on progress of your work.
